Forwarded Memo

The Presdt of the D. F Board, Kolar circle, requested the sanction of Govt to award three prizes yearly to the Kotwals of Travellers' Bungalows at the rate of Rs 10, 7 & 3 for the best kept Compounds & Gardens, and the other Presdts were called upon to submit their opinion on the matter.

(2) The following replies are received -

(3) The Presdts of Bangalore,(1) Tumkur(2) and Kadur(3) circles are not in favour of the proposal. The former two consider that, as it is the duty of the Bungalow establishment to keep the Compound &c tidy, the proposed payment of reward is not only unnecessary but that such Kotwals as do not keep the Bungalow &c in their charge in good condition ought to be punished.

(4) The Presdt of D. F Boards in the Mysore Distt(4) considers that the proposal to pay reward is good but that as 3rd Class Travellers' Bungalows, which have only one servant each, have no Kotwals while there are Kotwals in 1st & 2nd Class Bungalows

The above order of the 2nd Commissioner having been duly communicated, the Chief Engineer States that the proposed removal of the Revenue Bungalows to Kaspi, in order the grounds & garden of the 2nd Class Resident will lead to considerable improvement in the accommodation; but that the Revenue Bungalow at Kaspi is still wanted for the Land Revenue Survey Establishment, which also bears all other charges, the P.W.D. only the ordinary repairs of the Revenue Bungalows. The proposed removal of the Revenue Bungalow at Kaspi is not therefore chargeable to the P.W.D. The Superintending Engineer suggests that the Revenue Authorities should be consulted in the matter and that the 2nd Commissioner, who knows the local matters and every face, may be consulted and their opinion taken.

The Secretary of the Municipal Committee of Peshawar and also the 2nd Commissioner have already recorded their opinion that the proposed removal is necessary in the interests of the 2nd Class Residency Bungalow, the resultant inconvenience to the Revenue Bungalow being unimportant.

a second class bungalow. The condition of each class of bungalows may however be separately considered and a few prizes awarded to each class separately. The Sub-Division officer of French Rocks who was consulted on the subject also agrees with the opinion of the Kolar Board, but adds that some concession may also be shewn to servants of the bungalows, as the Kotwal can do nothing without their exertion. Copy of his docket No 298 of the 8th February 1901 is submitted for reference. The prizes awarded in the case of 1st and 2nd class bungalows may therefore be ordered to be divided among the servants who con-tributed to the good keeping of the com-pounds in four proportions. The District Fund Board of the Mysore Circle is also in favour of the proposal and an extract from its proceedings dated 12th February 1901 is submitted.

Sir.

In reply to your reminder no: 331/memo dated 19th instant, directing me to submit a report, regarding the best kept compounds & gardens of the Travellers Bungalows in the Taluks of Hadur and Gauribidanur; I beg to report that, in these two Taluks, there are 9 Bungalows as noted in the margin and I very much regret

1 Hadur
2 Sakrepatna
3 Gauribidanur
4 Hijjampur
5 Singondahalli
6 Santavēri
7 Kallahalli
8 Lakkavalli
9 Jadigenahalli

To say that the Servants of these Bungalows have not paid any attention to the Government order. But in justice to these Servants I beg to state below the condition of each Bungalow in detail.

1 Kadavu: This is a first class bungalow with sufficient number of Servants to maintain a garden. They have not done so, nor have they made any attempt for it. The compound is also not kept clean. There are some gaps in the hedge. Even when they have will repaired. There is water supply to it and a garden can very well be maintained.

2 Sattanpalli: This is a 2nd class bungalow. There is a small garden attached. Some-time back it is kept in a very good condition. Recently I observed the Servants, they have not even repaired the hedge. Many cattle are allowed to remain in the Servants [illegible]

57

if it has been damaged by the ... the
Servants must be made to bear the
cost of repairing the same.

3 Varatharaja Pillai. This is a first class
bungalow newly built. Unfortunately
there is no hedge to the compound.
The Aundaram bear put up bamboo
thorn hedge, which is not sufficiently
strong to keep out the cattle. Under
these circumstances until this done the bungalow
or the compound could not be kept
clean nor the garden could be opened.
I have noticed stray cattle sleeping
in the verandahs at nights. There is
water convenience & garden can be
raised.

& Ajjampur. This is third class
bungalow with only one Servant.
The bungalow is an old one. The
hedge around the compound is not
in order. There is water convenience
Stray cattle are always in the
compound.

5 & 9. Linganahalli & Jadakatte
The above remarks apply to these

Each Week we have a Bath in Common
room for the Native Servants.

The Bathing Men is a first
class Bungalow & is considered
a Hill Station. Each Week Each
is a Gentleman going for pleasure.
No Servants for Wives. Each Week
are Married in Service & Living
at Matheran. The Bungalows are to Hill
in Bungalow Hill, often. The Gardens
round the Bungalows are the Servants
to eat in Bathing Week.

Y Sanitarium: Each is one Week
and a good class Bungalow for Each
Week respectively. I have bought
Wife, & my own cattle & established
permanently & use the Servants for
the Bathing Servants to Bungalows &
Gardens in Sanitarium. Gardens are
Rented the Bungalows & also in
the Compound of the Week I
have Each Week, I have only
a little each Week, but even
the Cattle of one eighth of their
pay. No Bungalow & the Compounds.
The Bungalows around has been

5-6

a cattle shed No water near the
bungalow to raise garden.

8. Lakkawatta Has is a 2nd class
bungalow There is a small garden
in front The compound is pretty
clean Water is not near.

On receipt of your no 284
forwarding Govt proceedings in
the matter, the Amildars were
called upon, to report as to why
no attention was paid to the
Govt orders, & their replies have
not yet been received. Both your
letters under reference wanted the
report by return post & I had
to submit this on my personal
knowledge of the bungalows & their
compounds.

Sir,

With reference to Government
Proceedings No: 2923-31 / L.F. 40-00 Dated 30th
August 1902, requesting to report how
the

the rules sanctioned in Government Proceedings No. 11525-34 / L.740-00 dated 11th January 1902, have been working and calling for a list of Travellers Bungalows in the District with certain information relating thereto, I have the honor to submit herewith a statement showing the names of Travellers Bungalows in the District, their class and their condition as to gardens and Compounds.

2. In this connection, I beg to submit that the order of Government conveyed in their Proceedings dated 11th January 1902 were communicated to the Assistant Commissioners and Amildars in the District to make it known to the servants of the Travellers' Bungalows in the respective Taluks that their exertions in the maintenance of the

Bungalow gardens and compounds will be duly rewarded and to induce a spirit of competition among them The compounds of many of these Bungalows have been long neglected and it will be seen from the enclosed statement that an attempt is just being made in some of them to open out flowerbeds and to keep the compounds of the Bungalows in good condition and I hope that at the end of the period prescribed in the Government order dated 11th January 1902 I shall be able to report in detail as to the working of the rules. In view to create a spirit of emulation among the servants of the Travellers' Bungalows it is proposed to award this year prizes to the Servants of some of the Bungalows
